ABOUT ME

Applied Mathematics student passionate about data science and artificial intelligence, with a strong curiosity for mathematical foundations and their applications in computer science. Attracted to technical challenges.

EDUCATIONS

- **Bachelor of Applied Mathematics - Mathematics and Computer Science** (2022-2025)
University of Antananarivo
Bachelor Grade: Good
- **English** (August 2021 - September 2022)
English Teaching Program (ETP)
Level: High Intermediate (HI) - Advanced 1 Certificate (A1C) : [Link](#) 🌐
- **ESCA Antanimena** (2018-2021)

MY PROJECTS

- **Click-Through Rate Prediction Project**
Binary classification system to predict whether users will click on mobile advertisements using multiple Machine Learning algorithms with hyperparameter optimization. [Github](#) 🌐
- **Gesture Classification with Arduino and Machine Learning (Part of "First step of ML and AI" training)**
This project focuses on real-time physical movement interpretation. It involves high-frequency data capture related to acceleration and rotation. [Github](#) 🌐
- **Fihirana**
Android application designed to provide an accessible and organized collection of our Christian and evangelical songs. [Github](#) 🌐
- **Facial Recognition System**
A Machine Learning project implementing facial recognition on the Labeled Faces in the Wild dataset. [Github](#) 🌐
- **Academic Portfolio Website**
A dedicated space for my university projects and academic experiences.

TECHNICAL SKILLS

- **Mathematics:** Analysis / Algebra / Probability / Statistics / Numerical Computation / Optimization
- **Data Science and Machine Learning:** Numpy / Pandas / Matplotlib / Seaborn / Scikit-Learn / TensorFlow
- **Programming and Web:** Python / C / C++ / Java / JavaScript / Kotlin / HTML / CSS / Bootstrap

- **Tools:** Git / Github / SQL / Latex / Word / Excel / PowerPoint / Canva / Figma

LANGUAGE SKILLS

- **Malagasy:** Native language
- **French:** Read - Write - Speak (DALF C1 in progress)
- **English:** Read - Write - Speak (A1C ETP)

MY CERTIFICATIONS

- **SQL for Data Science** 📄 February 2026
Simplilearn
- **First step of Machine Learning and Artificial Intelligence** 📄 August 2025
American Corner Antananarivo
- **Exploratory Data Analysis** 📄 September 2025
Openclassroom
- **Linux** 📄 September 2025
Openclassroom
- **Introduction to Entrepreneurship** 📄 June 30 - July 04 2025
Maison de l'entrepreneuriat
- **Arduino Introduction** 📄 July 2024
Orange Digital Center

MY TRAINING

- **MISA Training** Saturday: Sept 24 – Oct 29, 2022
Html-Css-Js / C++ / Python / Figma / Adobe Illustrator / Network Administration
- **Youtube**
Kotlin / Java / Latex

COMMUNITY INVOLVEMENT

- **Member of Smart Kajy** June 2024 - Present
A collaborative club dedicated to mutual aid in digital sciences and mathematics, where members and experts share knowledge and innovative projects
- **Guitarist and Technician for a Worship Group** 2020 - Present
A ministry within our Church to exalt the Lord through music and songs

MY QUALITIES

Versatile — Optimistic — Persevering

MY HOBBIES

Music — Games — Football
