ABOUT ME

Passionate about data science and artificial intelligence, I am particularly interested in solving mathematical problems applied to computer science. Curious and motivated by technical challenges, I constantly seek to deepen my skills and take on new challenges

EDUCATION

- **Bachelor's in Applied Mathematics** (2024-2025)
University of Antananarivo
Honors: Good
- **Mathematics and Computer Science** (2022 - 2024)
University of Antananarivo
- **English** (August 2021 - Sept 2022)
English Teaching Program (ETP)
Level: High Intermediate (HI) - Advanced 1 Certificate (A1C) : [Link](#) 🌐
- **ESCA Antanimena High School** (2018-2021)

PROJECTS

- **Click-Through Rate Prediction Project**
A binary classification system to predict if users will click on mobile ads using multiple Machine Learning algorithms with hyperparameter optimization.
[🌐](#)
- **Gesture Classification with Arduino and Machine Learning (Part of First Step of ML and AI training)**
This project focuses on real-time physical movement interpretation. It involves high-frequency data capture for acceleration and rotation. [Github](#) 🌐
- **Fihirana**
An Android application designed to provide an accessible and organized collection of our Christian and evangelical songs. [Github](#) 🌐
- **Beverage Showcase Website**
Design and development of a demo showcase web application dedicated to the Malagasy beverage brand STAR, optimized exclusively for desktop use.

TECHNICAL SKILLS

- **Data Science and Machine Learning:** Numpy / Pandas / Matplotlib / Seaborn / Scikit-Learn / TensorFlow / SQL

- **Programming and Web:** Python / C / C++ / Java / JavaScript / Kotlin / HTML / CSS / Bootstrap
- **Tools:** Github / Latex / Word / Excel / PowerPoint / Canva / Figma

LANGUAGE SKILLS

- **Malagasy:** Native language
- **French:** Read - Write - Speak (DALF C1 in progress)
- **English:** Read - Write - Speak (A1C ETP)

CERTIFICATES

- **First Step of Machine Learning and Artificial Intelligence** 🌀 August 2025
American Corner Antananarivo
- **Introduction to Entrepreneurship** 🌀 June 30 - July 04, 2025
Maison de l'entrepreneuriat
- **Data Analysis** 🌀 September 2025
OpenClassrooms
- **Linux** 🌀 September 2025
OpenClassrooms
- **Statistics for Data Science** 🌀 September 2025
OpenClassrooms
- **Arduino Introduction** 🌀 July 2024
Orange Digital Center

TRAINING

- **MISA Training** Saturdays: Sept 24 – Oct 29, 2022
Html-Css-Js / C++ / Python / Figma / Adobe Illustrator / Network Administration
- **Youtube**
Kotlin / Java / Latex / SQL

COMMUNITY INVOLVEMENT

- **Member - Smart Kajy Club** June 2024 - Present
A collaborative club dedicated to mutual aid in digital sciences and mathematics, where members and experts share knowledge and innovative projects.
- **Musician and Technician for a Praise Group** 2020 - Present
A ministry within our Church to exalt the Eternal through music and songs.
